

EMPLOYMENT OPPORTUNITY

Technology Integration Coach

We are a unified team of chiefs, staff and educators who advocate on behalf of and represent the educational interests of our communities, and we protect the education and Mi'kmaw language rights of the Mi'kmaw people. The Board of Directors continues to further empower the Mi'kmaw nation through its youth by delivering on educational initiatives that exemplify the pride, respect and spirit of the communities we represent.

Please note that this position may be located in any of the MK communities (with the agreement / support of the community). Applications are encouraged from all areas of NS.

Mi'kmaw Kina'matnewey is currently seeking applicants for the position of Technology Integration Coach to provide leadership, staff development, technology education, and support to instructional and administrative staff. Lead the implementation of curriculum and technology integration activities and projects in MK schools. Influence and achieve the results of the MK strategic plan. ***This position will have a primary focus on middle/high school.***

The successful candidate will have a B.Ed. and a valid NS Teaching License with a minimum of five years teaching experience at middle or high school. A graduate degree would be an asset. Advanced education in instructional or assistive technology is preferred. Fluency in Mi'kmaw is an asset.

A full job description and complete requirements may be found at the link below. Interested candidates should forward a letter of application, a current resume including three work related references to <http://kinu.bamboohr.com/jobs>. Candidates who wish to submit their application in Mi'kmaw are encouraged to do so.

Term of Employment: Indeterminate (continuing)
Anticipated start date: February 2021
Location: *The incumbent may be located in any of the MK communities in NS, with the agreement/support with the community.*
Deadline for application: **January 12, 2021 - 4:00 p.m. Atlantic Time**

If you have questions, contact Justine Paul at justine@kinu.ca or (902) 567-0336, x 5610.

We thank all applicants for their interest, however, only those selected for interviews will be contacted.
