

Dolly Parton Imagination Library

Dolly Parton Imagination Library is a free gift to encourage reading at home!

Mi'kmaq children from newborn to 5 are eligible to participate in this program. Each month a new children's classic book to add to your home library will be mailed to your home free of charge. In order to register for this FREE program all we need to know is your child's name, birthday and gender, along with your name, address and phone number. Please email this information to Janice Ciavaglia at janiceliteracy@kinu.ca.
